

NATIONAL THREE PEAKS CHALLENGE 10 – 12 JUNE 2017

DANNY JONES DEFIB FUND

I am delighted to let you know details of the Danny Jones Defib Fund – Three Peaks Challenge. With the fantastic support of Barrie McDermott, the RFL Benevolent Fund and Rugby League Cares I am planning to take on the National Three Peaks Challenge 10 to 12 June 2017. If you chose to accept this challenge you will tackle the three tallest mountains in the UK; Scotland (Ben Nevis), England (Scafell Pike) and Wales (Snowden). All in a 24-hour period.

I am asking friends and supporters of the Danny Jones Defib Fund to join me and a host of former Rugby League players and celebrities on the challenge. Our target is to raise £10,000.00 by attracting teams of walkers to take on the challenge. If you do not fancy the challenge you could be part of the event by volunteering to be a driver.

If you are interested either in walking or volunteering, you will need to be available from Saturday 10 June to Monday 12 June 2017.

We will meet at 0900 Saturday 20 June 2017 at central point to drive in the mini buses to Ben Nevis in Scotland. At 1600 the we will meet to begin the 24-hour challenge at the base of Ben Nevis

Your team challenge will commence by first conquering Ben Nevis; you will then travel through the night to Scafell Pike and then finally on to Snowden. A more detailed itinerary will follow, although we expect the challenge to be completed Sunday 21 June 2017 late afternoon. From there the teams will stay in Wales to recover before returning to home Monday the 12 June 2017

To enable the charity to raise as much as possible from the challenge and to cover accommodation and support costs everything you raise over £500.00 per person, which covers the cost associated to the challenge, the rest will go to the Danny Jones defib fund.

I am asking those interested to be able to raise as much as possible so we can reach the target of £10,000. All I need at this stage is an email back expressing your interest by **31 March 2017**, or send the email onto to someone you think will be great for the challenge. Once I have enough interest we will be back in touch with further details.

Thanks, in advance, everyone connected with the Defib Fund is grateful of your support!
